3-311 Rods and Accessories FS

Flat rods, Fits narrow frame width

Product Notes:

- · Latching rods and accessoires for use with swinghandles OFFSET-DUO-3 see Product System 3-310
- · Shown below is a 3-point system for a RH door
- All rods run exactly in line with the lower rod starting from the center of the door, symmetrical to the (not shown) upper rod
- · Door can be installed RH or LH since the positions of the latching hooks are identical to those of the hinges
- · Minimal frame width of 30mm
